Subject: Letter of Recommendation

To Whom It May Concern,

Spectro Construction, Inc was a subcontractor to Wal-Mark Contracting Group, LLC on The Sevens Apartment project located in Downtown Orlando at the intersection of Orange Ave and Colonial Drive (Camden North Quarter). The contract value for Spectro was \$1,750,000.00. The work included Exterior Finishes (Lath & Stucco and EIFS) and building access using Mast Climbers and Scaffold. The duration of work was approximately 10 months.

Spectro performed the work on this project in a timely and professional manner. The work was adequately staffed and supervised. I recommend Spectro as a company that delivers excellent quality and workmanship and will continue to use Spectro on future projects.

Sincerely,
